

# CEO

Stephen Frost, farmer, founder and CEO of Western Mineral Fertilisers - leads the Company with over 35 years of practical experience in farming and forestry, specializing in sustainable and profitable farm production. Recipient of the 1991 Australian Marketing Award for Innovation, in recognition of outstanding achievement in Agricultural Market Innovation.

Over the 15 years history of Western Mineral Fertilisers, Stephen's input was an integral part of developing the fertiliser formulation and on farm biological program. The continued success of Western Mineral Fertilisers is reflected by the on farm performance of the biological programs which is verified by all the independent research.
