Discount/Tonne (excluding GST)	\$5.00/T	\$10.00/T	\$12.00/T

General Conditions

1. Due to the nature of the mineral fertiliser there may be dust associated with the product and it could be necessary to keep vigilance on equipment where the built up dust could affect equipment operations.
2. **PRICE PROTECTION** - At order confirmation Western Mineral Fertiliser offers 100% price protection at no charge (product must be picked up within price list pricing period).
3. Fertiliser must be picked up by the time nominated on the early order purchase form.
4. Payment of accounts is required prior to pick up unless arrangements have been made with Western Mineral Fertilisers.
5. It is the purchaser's responsibility to organise loading bookings for any product ordered.
6. Western Mineral Fertiliser reserves the right to close or change these offers (or parts of) when target tonnages are met.
7. The purchaser accepts that the fertiliser requires special storage and handling.
8. Ownership of the product passes to the purchaser upon payment to Western Mineral Fertiliser.
9. Monthly Collection Discounts and Tonnage Discounts DO NOT apply to Ammonium Sulphate or Urea, price subject to change.
